Stay, Dine and See Macao for MICE Visitors - Avenida de Almeida Ribeiro

Set in the heart of the Macau peninsula, Avenida de Almeida Ribeiro is a modern thoroughfare paved with history showcasing the city's rich historical significance and cultural heritage. To the east of Avenida de Almeida Ribeiro are two of Macau's most famous landmarks – "Hotel Lisboa" and "Grand Lisboa Hotel". To the west is the Inner Harbour historic district, home to the iconic "Clock Tower at Pier 16" and the peninsula's only large-scale integrated resort – "Ponte 16 Resort, Macau" – which enjoys magnificent views overlooking the river. For a truly local Macau experience, visitors can take a stroll through Avenida de Almeida Ribeiro to discover the "Kam Pek Community Centre", "Rua de Cinco de Outubro", "Hong Kung Temple Leisure Area" and other vibrant cultural attractions on the way to the Inner Harbour. An integral part of Macau's rich historical landscape, the district is home to stunning UNESCO World Heritage Sites, traditional shophouses and souvenir stores, where visitors are sure to find a Macau memento to bring home! In future, SJM will revitalise the district to create a trendy new cultural hub featuring a dynamic blend of old cultural and contemporary tourism offerings. Watch this space for more exciting things to come!
